

AXIS

LAW FIRM RISK MANAGEMENT & INSURANCE

Risk Managed. Practice Secured.

30+ Years of Insurance
Expertise Protecting Law Firms.

Axis Insurance equips law firms with strategic protection, enabling you to navigate risk with clarity and confidence.

Specialized Insurance for Legal Professionals

For over 30 years, Axis Insurance has provided law firms across Western Canada with specialized risk management solutions. Our deep expertise in commercial insurance, employee benefits, and wealth advisory ensures legal professionals are protected from uncertainty.

Axis Insurance is one of Canada's fastest-growing brokerages, delivering tailored insurance strategies to local, national, and international clients. Our team of over 350 professionals provides proactive risk management advice, helping law firms mitigate uncertainty and focus on what matters most.

At Axis, we believe risk isn't just something to avoid—it's an opportunity to embrace. That's why we offer Canada's most comprehensive insurance program for legal professionals, turning risk into opportunity and growth.

Law Firms Choose Axis

Seamless protection, exclusive access, and expertise tailored for law firms.

✓ Nationwide Coverage

Stay protected across Canada with seamless, reliable insurance solutions—wherever your practice takes you.

✓ Exclusive Insurer Partnerships

Gain access to specialized coverage through Axis's exclusive relationships with top insurers, ensuring tailored protection for law firms.

✓ Simplified Claims Process

No excessive paperwork. Our streamlined claims process ensures fast, efficient handling so you can stay focused on your business.

✓ Direct Access—No Association Membership Required

Secure industry-leading insurance without the need for association membership, giving you direct access to premium protection.

✓ Customizable Coverage Limits

Scale your coverage as your firm grows, ensuring you always have the right level of protection.

Tailored Coverage for Law Firms

Axis Insurance provides comprehensive, industry-specific coverage to protect law firms from risk at every level. Our solutions address the unique challenges legal professionals face, ensuring your firm stays protected and prepared.

Excess Professional Liability Insurance

Extends coverage beyond standard professional liability limits, with key enhancements:

- ✓ **Employment Practices Liability**

Covers claims related to wrongful termination, discrimination, and workplace harassment.

- ✓ **Trust Shortage Protection**

Safeguards against financial shortfalls in client trust accounts.

- ✓ **Dishonesty & Fidelity Coverage**

Protects against employee fraud or dishonesty

- ✓ **Outside Directors Liability**

Covers professionals serving on external boards.

Additional Coverage

Office Protection

Covers office property, business interruption, and liability risks—ensuring operations stay secure and uninterrupted.

Privacy & Cyber Liability

Defends against financial losses from data breaches, cyberattacks, and privacy violations. Includes legal expenses, notification costs, and business interruption coverage.

Crime Insurance (Including Employee Dishonesty)

Protects against financial losses due to theft, fraud, or forgery—whether by employees or external parties. Critical for firms handling sensitive financial transactions.
